## PayPal Shipping Center

Now you can create pre-paid shipping labels for all of your packages, directly from your PayPal account. We're proud to introduce UPS as our first carrier. Benefits:

### Here's how it works:

1. Pack your item in your own packaging or in UPS packaging
2. Weigh and measure your package
3. Create a UPS Shipping label online with your PayPal account
4. Your PayPal account will be charged the UPS Shipping fee
5. Print your UPS Shipping label and attach it to your package†
6. Your package is ready to go! Just drop it off at any authorized UPS location or hand it to a UPS driver
